BY
COAST GUARD
AUXILIARY
FLOTILLA 58
1400 SEAWAY DR.
FT. PIERCE, FL 34949**

-WHAT IS ABS?

The About Boating Safety Course is a "safe boating" course designed especially for the recreational boater, to encourage safety on the water.

Enjoy your boating experience more by learning the rules of the waterway. Learn how to identify potentially dangerous situations and how to manage them.

Be aware of all the waterway signs and markings, what they mean and how to negotiate the waterway with ease. Learn basic navigation, docking in wind and current conditions and basic survival skills.

-WHY IS IT FOR ME?

ABS emphasizes safety on the water to enhance your boating experience... increases your confidence on the water. For new boaters, this is a "must do" program. For seasoned boaters, it's always a great idea to refresh your knowledge.

Insurance companies may give you a discount after passing this course.

State of Florida approved for 21 and under to obtain their FL State Boaters License.

AND IT'S LOTS OF FUN!!!

-HOW LONG DOES IT TAKE??

JUST ONE EASY DAY!!!

Registration information:
Courses are held at the Flotilla 58 Coast Guard Auxiliary Building at 1400 Seaway Dr., Ft. Pierce Fl.
